Weekly Update #20

Week of April 15, 2019

Good Morning,

It has been a few weeks since our last update, so we would like to give you a run down on what has been happening. Our winter guard placed first in their classification at the state championships!!! The bands have been preparing for UIL Concert and Sight-reading every day. The Wind Symphony performed April 4th and earned an outstanding rating on stage and a superior rating in sight reading.

Good luck to the concert band that performs on Wednesday, April 17th at Katy HS @ 4:00PM and Symphonic Band that performs at Katy HS on Thursday, April 18th @ 10:10 AM. We also have the 1st annual Color Run on Saturday, April 27th and our Mattress Sale on May 4th.

There are many events coming up so please check charms regularly.
